It came to our attention yesterday, as a result of telephone calls received by the Clerk, that the ganolfan Management Committee had sent word to their users stating that the Centre was closing at the end of December.

There was no explanation as to how this had happened, because despite all efforts being made, we had not had an opportunity to meet with the Management Committee to share the information, and the Chair had stated that the information shared at the September meeting was 'confidential and sensitive'. **Chair and Clerk to look into the matter**

Flower Boxes The Contractor had filled them with plants and also painted them. It was noted that our contractor was taking real care of them and had reported to the Clerk that a further 2 boxes had rotted and were in need of repair

Clerk has ordered 2 but the Workshop manager was on holiday

External audit

Final report 2024-25 has reached us.

It was noted that the Council needed to publish its agenda on the website as well as the minutes

The Clerk was thanked for his work.
