3. **Croeso / Welcome**
The Chair welcomed everyone present to a historic occasion in the Council's history, namely the first meeting of the Council at its new 'home' in Penrhos, namely the long awaited new Canolfan that had been standing vacant for such a long time.
4. **Datgan buddiant / Declaration of interest**
Cllr J Pierce declared an interest that she was a member of Clwb y Garnedd and Cylch Merched Glasinfryn, which had made applications for funding.
Cllr L A James declared that she was a trustee of the 'old ganolfan' charity but she is there as a representative of the Council
5. **Derbyn cofnodion / Accept Minutes 12fed o Chwefror / February 2026**
The minutes were accepted as a correct record, as proposed by Cllr L A James and seconded by Cllr D Jones-Morris
6. **Materion yn codi o'r cofnodion / Matters arising**
 - GwyrddNi – Biodiversity**
Although no start had yet been made on the wildflower meadow in the cemetery a local Company that had provided us with a price had stated that it was willing to plant bulbs in the shadow of the road wall and seeks/welcomes anyone who would be happy to volunteer with them.
A new window has opened for a grant of £7K. It was agreed to re-submit our application for the wildflower meadow and also to extend the project to other parts of the Pentir area.
Clerk to inquire and discuss ideas with the local Company
Any ideas for another suitable project to be forwarded to the Clerk
 - Bank accounts**
On-line Current Account completed and Clerk was awaiting a welcome pack through the post.
The account for the new ganolfan will need to be re-opened as evidence of its location is required, despite the fact that our application had been sent with a photograph of its location.
The Clerk has contacted and received confirmation that a letter on headed paper and confirmation from an accountant will suffice as we do not yet have any 'supply invoices'
 - Hire/payment form for the new Ganolfan**
Cllr C W Owen had been researching and discussing with Delwedd regarding obtaining bilingual forms for on-line hire and possibly payment as well. The 'Hallmaster' system seemed suitable but was in English only.
It was agreed that Cllr Owen should contact Delwedd again and invite them to the Sub Group meeting.

9. Materion y Clerc / Topics from the Clerk

▪ **Intec Building / Centre**

A great deal of re-organisation has had to take place and some users now use both sites because we have now received a 'temporary licence' which allows us to make use of rather than a licence to show the location of the site. These users must realise that there will be a time when it will not be possible to make any use of the car park at all.

▪ **GwyrddNi Grant**

A second window now open and this year's maximum is £7k. It was agreed to resume our plan to establish a wildflower meadow in the cemetery and to ask the Company whether it would be possible for them to come up with a plan to 'flower' other areas in the parish. **Clerk to make contact**

▪ **Grants in general**

Mark Gahn from Gwynedd Council has been in contact promoting grants that may be available to Community Councils. **Clerk to extend an invitation for Marc to come here to discuss further**

10. Materion y Cynghorwyr / Councillors Topics

CLlr H Griffiths Tesco Roundabout causing Traffic problems

Although not within our area, traffic problems are often present at the mini roundabout by Tesco as there is now much more traffic as a result of permission given for two 'fast-food' Retailers, and this sometimes requires a very long wait before being able to join the highway
